## Reading

### ( 1 ) Read the following passage and answer the questions below:-

Men often shake hands and women sometimes do too. In the UK, men don't often shake hands when they meet friends but they always do when they meet new people. In some countries, they never shake hands. They don't usually touch and they can be upset if you touch them. In those countries, people often bow or nod when they meet new people. Body language is important when you meet someone. Folding your arms or not smiling will make you look bored. Not looking at the other person can make you look bored too. A smile is always very important. It's the best way to say hello in any language!
